

The Secret Gardens Wedding Package

(2017/2018)

Welcome to The Secret Garden, where being flexible and putting wedding packages together to suit your budget & theme, is our priority.

To get a better idea of pricing per person, please have a look at our menu option (attached) and build a menu to suit your wedding theme, and email it back to us for a more detailed quote. We are flexible on our menu, so if you have something in mind, please let us know.

To give you an idea of price, please see below and note that a more accurate price will be reflected on your quotation when we receive your selection of menu. Price all depends on your menu selection & amount of guests attending your wedding. The more guests you have, the better priced package we can offer.
