

Dear Jamie and Dana,

A huge thank you to both of you for all that you did to make Chantelle's wedding a truly wonderful day. Jamie, right from the start you were honest and upfront in terms of costing, no hidden costs to cover at the end. I appreciated the fact that you were always so willing to answer hundreds of questions more than once! Your presence on the day played a huge role in the smooth running of everything, from the moving of the flowers, to the bar, the very tasty food and finally the organising of taxis! It was also comforting to know that if anything went wrong, you were there to sort it out.

Dana, you know what they say about every successful man! Well, Jamie is so very lucky to have you. Your kindness, patience and genuine concern for what the bride wanted was so very much appreciated. It is not easy to organise a wedding with the bride in London! Both Chantelle and I struggle to delegate, so we were really put to the test when we actually had to walk out and leave it up to you. We were not disappointed. Everything that you said you would do, was done!

You make a very special team and you have a wonderful wedding venue!

Many thanks,
Shannon

Hi Jamie

A BIG thank you for all you have done for us and all you have done to make our day sooooo special!! EVERYONE has commented on what a wonderful wedding it was and how amazing your service was. Your staff were truly the best bar staff ever, they always had a smile on their faces and enjoyed the party with us. Your food was the topic of the day (the next day) everyone said that they enjoyed it soooo much. All the bits and bobs that came from the kitchen and the braai. We even had a traditional Greek as one of our guests and he says he LOVED the food. The best comment I got was that "the wedding had everything, Taste, smell and feeling". Our aunt said that she was so excited throughout the whole wedding because she didn't know what was going to happen next.

Jamie thank you so much for everything and thank you for making Darryl and My day the day that we had always dreamt of.

Thank you so much :)

Regards

Hi Jamie

Just wanted to let you know not a day goes by where Ashley and myself can't stop talking about what a beautiful wedding we had a how lovely your place is.

We still get compliments up till today from everyone that attended and from other people who have just heard about it. My colleagues at work talk about the wedding all the time and not forgetting how good the food was, I think every time we sit to have lunch, we talk about that succulent Lamb...Every time we take out the wedding pic's to show our friends and family, I look at the one pic of the layout of the food and I instantly wish that I had taken a second round that day.

Thanks once again for everything and pass our regards on to Dana

Dear Jamie

We wanted to thank you so much for everything that you did to make the wedding such a success last Saturday. You run an excellent venue, professional and yet homely and comfortable at the same time. The food was really excellent, and we received so many compliments from the guests on both the

location and the meal. We have been recommending your venue to everyone we speak to, and will continue to do so.

Wishing you everything of the best in the future, we know your business will go from strength to strength.

Kind regards
